10 Defendants.

13 After the May 29, 2009 hearing on defendants' motion to dismiss for lack of personal
14 jurisdiction, defense counsel provided five charts to assist the Court in understanding the corporate
15 structure of defendant Service Corporation International. Counsel explained in a letter dated June 4 that
16 four of the charts (bates numbered SCI (BRY) 00411-14) have been produced to plaintiffs in discovery
17 and that counsel prepared the fifth chart (which does not have a bates number) for the Court after the
18 May 29 hearing. Defense counsel request that if the fifth chart is made part of the record in this case,
19 it be filed under seal. The Court finds that the fifth chart should be included in the record. It is not
20 evident to the Court, however, why it should be filed under seal. **Defense counsel shall file a**
declaration within five days of the filing of this order explaining why this document should not
be filed in the public record. If defense counsel opts not to file a declaration, the Court shall direct the
21 clerk to file and docket the fifth chart on the public docket.

IT IS SO ORDERED.
